**Notes:**

- (1) The Water and Sewer System, comprised of the Water Utility and Wastewater Utility funds, was established by Ordinance in June 2001 in conjunction with the issuance of the Series 2001A Water and Sewer System Note.
- (2) Gross revenues, as presented, include all receipts and revenues derived from the operation of the System. Such revenues are calculated in accordance with provisions of applicable bond ordinances and excludes proceeds from the sale of fixed assets connected with the operation of the system, and includes interest and other investment income and all other unencumbered money to which the City in conjunction with its operation of the System may become entitled from any source whatsoever.
- (3) Operating expenses, as presented, are calculated in accordance with provisions of applicable bond ordinances and exclude losses from the sale or disposal of fixed assets not in the ordinary course of business, depreciation expense, and interest expense on revenue bonds. Transfers to other City funds are included in operating expenses for the purpose of determining debt coverage.
