

# IS YOUR CHILD SAFE?

## TAKE THE TIME TO FIND OUT.

### FREE CHILD SAFETY SEAT INSPECTION

**THURSDAY, JUNE 20TH  
3:00PM- 6:00 PM AT  
THE GEORGETOWN CITY  
FIRE DEPARTMENT**

#### Did You Know

Research shows that more than 7 out of 10 child safety seats are not used properly, and approximately half of all children who die in crashes are not restrained at all. In response, *Safe Kids* coordinates with community partners to provide a car seat "Checkup" service in the City of Georgetown. Through this *FREE* service, parents and caregivers receive personal assistance from certified child passenger safety technicians.
