REPEAL OF BOIL WATER ADVISORY

City of Georgetown Water Customers

(July 9, 2014) The City of Georgetown Water Utilities Department is issuing an official repeal of the Boil Water Advisory that included all customers of the City's Water System. The water has been tested and favorable results have been received. It is no longer necessary to boil water before consumption.

If you should have any questions concerning this notice, you may call the City of Georgetown Water Utilities Department office at 843-545-4500
