

Permit Application for Construction & Maintenance Utility Line in City of Georgetown Right-of-Way

Applicant: _____

Address: _____

Telephone Number: _____

Road Name: _____

Type of Utility Line: _____

Location Description: _____

(Applicant must attach a sketch of the proposed construction, showing location of roadway, curb, sidewalk, drainage, or any other significant structure that may be affected by construction. Applicant must also show on sketch a north arrow and the nearest intersecting street.)

The undersigned applicant hereby requests the City of Georgetown to formally waive objections to construction and maintenance of the line described. It is expressly understood that the line, if and when constructed, shall be installed in accordance with the sketch attached hereto and made a part hereof. The applicant agrees to comply with and be bound by the City's general provisions and special provisions below or attached hereto during the installation, operation, and maintenance of said utility facilities within the City Right of Way. The applicant further agrees, and binds his heirs, successors, assigns, to assume any and all liability this City might otherwise have in connection with accidents or injuries to persons, or damage to property, including the roadway, that may be caused by the construction, maintenance, use, moving or removing, of the physical appurtenances contemplated herein and agrees to indemnify this City for any liability incurred or injury or damage sustained by reason of the past, present, or future existence of said appurtenances.

In compliance with your request and subject to all the general provisions and special provisions below or attached hereto, the City of Georgetown approves the request. This permit shall become null and void unless the work contemplated herein shall have been completed prior to _____.

General Provisions

1. The word “Applicant” used herein shall mean the name of the person, firm, or corporation to whom this permit is addressed, his, her, its, heirs, successors and assigns.
2. The applicant must notify the City of Georgetown Engineering Department 24 hours in advance before work commences.
3. If, for any sufficient reason, it becomes necessary for the physical appurtenances to be moved or removed, such moving shall be done on demand of the City of Georgetown and at the expense of the applicant.
4. If the physical appurtenances shall be moved or removed either on demand of the City of Georgetown or by option of the applicant, the right of way shall immediately be restored back to its original condition at the expense of the applicant.
5. All work in connection with the construction, maintenance, and removing or moving of the physical appurtenances shall be done by and at the expense of the applicant.
6. It is understood that this permit does not release any rights lawfully possessed by the abutting property owners. The applicant shall secure any such rights necessary from said abutting property owners.
7. The applicant is responsible for maintaining reasonable access to private driveways during construction.
