

RAINEY PARK - STABILIZATION

RAINEY PARK is a tribute to Joseph Hayne Rainey, Georgetown native, who was the first African American to be elected to Congress, serving from four terms from 1870 to 1879. This project will stabilize the fountain and the retaining wall that have subsided returning the park to full operational use.

COST Design \$33, 000
 Construction \$250,000 (estimate)
