

US 17/701 IMPROVEMENTS – UTILITY RELOCATION

The **US 17/701 Improvement** project is a SC DOT spearheaded project to improve the road conditions and the traffic patterns through the busiest intersection in Georgetown from five-points to Highmarket. As a result of this work water and wastewater mains are being relocated and overhead electric power lines are being buried.

<u>COST</u>	Design	\$120,000
	Construction	\$???? - Electric
		\$325,000 – Water
		\$325,000 – Water
