City of Georgetown Local Information Statement Highway 17 Drainage Project

Issued February 2, 2011

For Immediate Release

Construction on the City of Georgetown's Highway 17 Drainage project continues and will begin to effect traffic starting Monday February 7, 2011.

Beginning Monday, February 7, 2011, the section of Dozier Street between Front and Prince Streets will be closed to traffic. People wishing to conduct business at City Hall will need to enter and exit the public parking lot from the Prince Street entrance.

The Dozier street closing is necessary to extend piping and materials from the City Hall Storm Water Retention pond to the Pumping Facility building at the Corner of Dozier and Front Streets.
